## PLAN THE PERFECT NIGHT OUT

### Hong Kong's Best Rooftop Bars

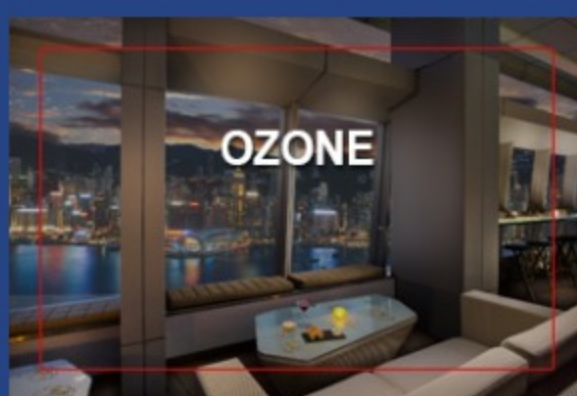

Your clients can begin their evening adventures with cocktails at one of the city's many rooftop bars that offer unforgettable views of the stunning Hong Kong skyline. They can enjoy watching the sunset over Victoria Harbor while sipping drinks and taking in the panoramic cityscape.

### Highest Bar in the World

Ozone is the highest bar in the world, located on the 118th floor of the Ritz Carlton Hong Kong. With its striking ambiance, it is a see-and-be-seen kind of place. The floor-to-ceiling windows offer an incomparable view from the interior or venture out to the terrace, where winds howl and the fog sweeps in overhead.

### Nightlife Districts

One of the best ways to experience Hong Kong by night is to explore the various nightlife districts. Traveler favorites include Lan Kwai Fong, Soho and Wan Chai, but no matter where your clients are staying, they will discover hidden gems all over the city. From live music spots to swanky clubs, each district has its own character. Check out our guide to see which part of the city best suits your clients' taste.
