

MY TIME FOR SUMMER FUN

There's a whole lot of Summer Fun in Hong Kong!

Where better to celebrate Eid and the last few weeks of the school summer break than in Hong Kong!

There is just so much going on in [Asia's World City](#) this summer, from concerts, festivals, quirky expos to fantastic shopping and dining promotions. So be sure to join us in the fun!

Here are just a few more must-do's!

Shark Mystique at Ocean Park!

[Ocean Park](#) is excited to launch their brand new attraction this summer - Shark Mystique, one of Asia's largest shark exhibits.

Come and have a splashing time with the sharks and rays in this awe-inspiring new attraction. Over a hundred sharks and rays, can be viewed through a 360-degree panorama that spirals down three levels, replete with extensive educational displays and state-of-the-art interactive games designed to convey the importance of shark conservation and marine biodiversity. Iconic species include ragged tooth sharks, whose fierce appearance belies their docile nature, and sawfish, a critically endangered species of ray marked by a saw-like rostrum.

A Magical time in Hong Kong Disneyland!

The Happiest place on earth!

Make sure to include some family fun in Hong Kong Disneyland. With new attractions like Mystic Point, Grizzly Gulch and Toy Story Land, there will surely be a lot of fun for all the family!

Make your Movie Debut at Ngong Ping 360!

Two new movie-themed experiences are now open at Ngong Ping 360 and this summer you can make your movie debut at either.

You could become a movie stunt-performer or get to sit in the make-up chair to be completely transformed or you could even be discovered as the next dance star in the outdoor dance performance.

The fun is endless!

Look who's in Hong Kong!

Do some star-spotting in Hong Kong.

But this summer the stars aren't quite human.

Head to Madame Tussauds to meet their new additions, world-famous Portuguese footballer, Cristiano Ronaldo and well loved icon Hello Kitty!

Or say hello to some not-so-furry friends at PMQ, Hong Kong's new design hub. The 1600 paper mache panda exhibit has toured Hong Kong and can be viewed at PMQ. You can even take one home with the proceeds going to the World Wildlife Federation - Hong Kong to protect the 1600 pandas remaining in the wild. [Click here to find out more](#)
