Immediate Release

Hong Kong's Newest Tourist Attraction — "Ocean Terminal Deck" is Open to the Public **The Best Venue to Enjoy Hong Kong Sunset with 270-degree Panorama of Victoria Harbour**

Hong Kong, 23 October 2017 – Located at the rooftop of Ocean Terminal new extension building of Harbour City, the Observatory Deck named "**Ocean Terminal Deck**" is now open to the public for free. It is a five-storey complex situated at the end of Ocean Terminal and surrounded by the sea with its prime location extending to the centre of Victoria Harbour. Construction commenced in 2012, and the building has been in full operation since October 2017.

Closely Watch the Spectacular Views of Victoria Harbour from the 270-degree Observatory Deck

The new building was designed by Foster + Partners, an internationally renowned architecture firm, with the aim of turning it into the new icon of Hong Kong by maximizing the geographic advantages of Harbour City to allow the public to enjoy the harbour views from different angles. The Observatory Deck, "**Ocean Terminal Deck**", on the rooftop is now open to visitors for free for the enjoyment of Hong Kong views. Built alongside the sea with 270-degree panorama of Victoria Harbour overlooking the breathtaking views of Hong Kong Island and Kowloon, it has become the best venue to enjoy Hong Kong's sunset and evening views, and will certainly be a new iconic landmark and tourist attraction of Hong Kong.

11 Harbour View Restaurants offering Global Cuisines

Harbour City is keen on bringing various restaurants to open in Hong Kong for the first time. And tenants of this extension building are mainly dining outlets, each with stunning harbour views and alfresco dining area enabling customers to enjoy the glamorous views of Victoria Harbour while savouring high-quality global cuisines.

4 restaurants are currently in service, namely Tsukada Nojo (Japanese), Xi He Ya Yuan (Beijing), Paper Moon (Italian) and ANA Ten (Japanese) and 3 restaurants are scheduled to open within this year, which are Hexa (Guangdong), A Nu Retrouvez-vous (French) and Fu Rong (Sichuan). The remaining 4 restaurants will also be in service within the first half of 2018 aiming to offer more diverse international culinary delights to satisfy customer needs.

Event Spaces Providing the Public with a Place for Happenings

"Ocean Terminal Deck" is not only a 270-degree observatory deck, but also a place for happenings. It consists of 2 outdoor event spaces of nearly 6,500 sq. ft., of which one of them is a natural lawn allowing the public to ramble on the grass. There is a Grandstand with maximum capacity of 200 people, facing the outdoor performance venue which will diversify the upcoming performance activities of Harbour City.

Sharing of Unforgettable Moments with Thematic Activities

A wide spectrum of featured performances and activities will be held by Harbour City at the new building and **“Ocean Terminal Deck”** to enable Hong Kong residents and tourists to enjoy the wonderful experiences under the magnificent views of Victoria Harbour and sunset. Harbour City will partner with Hong Kong Tourism Board to add features to its “Wine & Dine Festival” and “Hong Kong Great November Feast” by organising a series of wine tasting and beauty events titled “Sparkle & Shine” from 26 Oct to 12 Nov 2017 at **“Ocean Terminal Deck”**. Moreover, Harbour City will collaborate with Foster + Partners to organise an architecture exhibition of the new building in late Nov this year to introduce the building history of Ocean Terminal and the architectural concept and features of the extension building.

Build the Hong Kong New Icon and Tourist Attraction

As Hong Kong’s first and largest shopping mall, Harbour City has always strived to grow hand in hand with Hong Kong. Ocean Terminal new extension building of Harbour City, in addition to having enhanced cruise terminal facilities, serves Hong Kong residents and tourists by bringing new F&B and leisure & entertainment experiences. These additions ensure Harbour City maintains its industry leading position and further promote Hong Kong tourism by making Hong Kong and Harbour City a must-visit destination.
