### **The HKTB announces new arrangements for “ICBC (Asia) e-Sports & Music Festival Hong Kong”**

The Hong Kong Tourism Board (HKTB) announced that in view of the unstable weather in recent days, in order to minimise the risk it might pose to the event, the HKTB is seeking an indoor venue for “ICBC (Asia) e-Sports & Music Festival Hong Kong”, which was initially scheduled to be held at the Central Harbourfront from 4 to 6 August. The HKTB will announce details of the new arrangements as soon as possible.

The following changes will take effect immediately:

- **“Return of the Legends” tournament:** Commencement of ticket sales, originally planned for tomorrow (26 June), will be postponed.
- **SMTOWN SPECIAL STAGE in HONG KONG:** Ticket sales will be put on hold starting tomorrow. The HKTB will contact ticket holders about the new ticketing arrangements as soon as possible.
- **Festival Zone:** The HKTB will discuss the new arrangements with the participating exhibitors.

Dr Peter Lam, Chairman of the HKTB said, “The HKTB has been exploring the feasibility of organising this mega event at different venues, including indoor and outdoor spaces. We are making this change to ensure the event runs smoothly and offers all participants as enjoyable an experience as possible. The HKTB apologises for the inconvenience caused to members of the public, visitors, sponsors, and all supporting and participating organisations. The HKTB will finalise the event’s details and ticketing information as soon as possible, and will announce the latest arrangements in due course.”
