### Accommodation and Transport

#### Take 2 The platform for corporate events

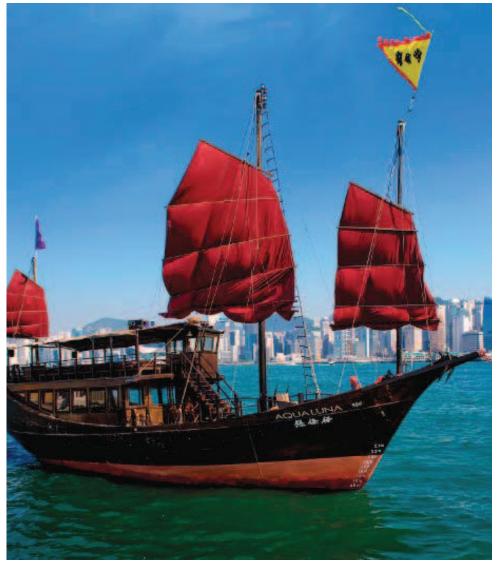

Possibly the last hand-crafted wooden junk to be made in Hong Kong, the **aqua luna** represents the high-end of charter possibilities. With its rich history, lush Chinese-inspired furnishings and detailed wooden flourishes, there are few better ways to welcome VIPs to the city. The 140-sqm space is divided into two decks; under cover and behind glass windows downstairs, and an upstairs, open-air deck with loungers.

Flexibility is the key to this junk's appeal, with large groups able to charter the entire boat for day trips to colourful Aberdeen Harbour and sea-side Stanley village, for example, or there are regular, scheduled journeys for smaller groups. The junk has a full bar and cocktail lounge, making it a perfect partner for exclusive private cruises, and sit-down or buffet dinners catered for by the highly-regarded aqua restaurant group.

#### 選擇 2 企業活動之海上平台

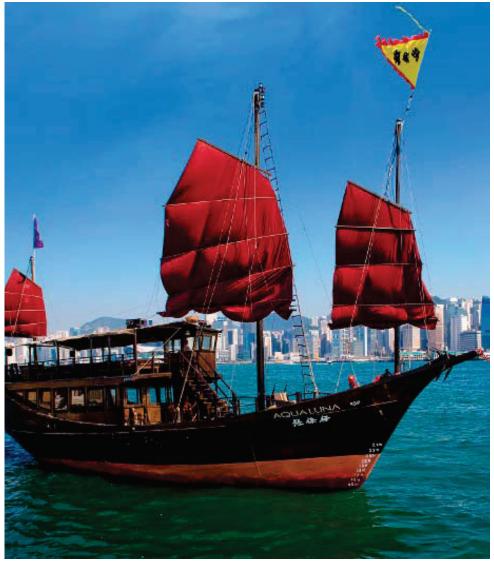

「張保仔」也許是香港最後一艘手工打造的木製帆船,能為會展獎勵旅遊活動提供高端承租服務。該船的悠久歷史,豪華的中式陳設和精雕細琢的木刻配飾,就像熱烈迎接貴賓的光臨。140平方米的空間分為上下兩層,下層四周配置玻璃窗戶,上層為附設休閒設施的露天甲板,適合不同用途的會展獎勵活動。

這艘帆船最吸引人之處,在於其靈活性,既可讓大型團體承租到香港仔及赤柱暢遊,也可供小型團體按照指定航程觀光。船上還設有酒吧,並由深得好評的aqua餐飲集團提供餐飲服務,特別適合舉行私人聚會或自助晚餐。
