

Hi Jessica,

The Hong Kong Tourism Board, together with all members in the tourism sector, stands ready to welcome visitors to Hong Kong. At present, flights to and from Hong Kong International Airport are operating as normal, and access control measures are being implemented at the terminal buildings to ensure smooth operations of the airport.

For the latest updates of Hong Kong, please check [DiscoverHongKong.com/au](https://www.discoverhongkong.com/au).

Travellers are recommended to allow extra time for relevant checks and arrive at the airport at least three hours before flight departure.

This month's newsletter edition includes our recommendations for exploring Hong Kong's spectacular great outdoors and some special high tea experiences. Plus, there's all of your favourites with a recipe to impress and our Lucky 8 testimonial.

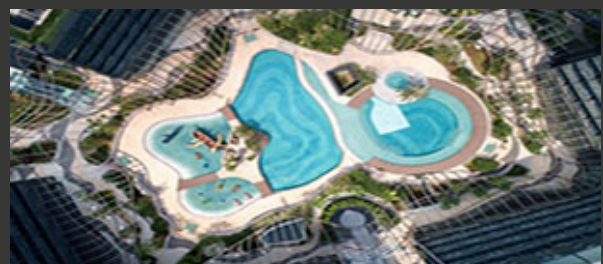

We thank you for your continued support.

Best wishes
