

This summer, get ready to join the battle as *Star Wars*™ comes to Hong Kong Disneyland

Hong Kong Disneyland celebrates *Star Wars* with "*Star Wars*™: Tomorrow Land Takeover" this summer. Starting June 11th guests will experience special encounters with popular *Star Wars* characters as well a host of new experiences. You can be whisked into the middle of a thrilling dog fight, meet your favorite characters from the movie or face off against the dark side.

Guests can rocket into the middle of a raging *Star Wars* battle between X-wing Starfighters and TIE fighters at Hyperspace Mountain, reimagined from Tomorrowland's most popular attraction, Space Mountain. Young recruits can test their lightsaber skills against villains such as Darth Vader, the Seventh Sister Inquisitor and Kylo Ren in Jedi Training: Trials of the Temple. Guests can join the Resistance and encounter Chewbacca in his hidden base - *Star Wars*: Command Post. The First Order Patrol, featuring Captain Phasma and Stormtroopers, will interact with guests as they explore Tomorrowland.

The Force is strong at the Resort's hotels

The celebration isn't limited to the park. Starting this summer, guests staying at Hong Kong Disneyland Hotel or Disney's Hollywood Hotel can enjoy a *Star Wars* themed room decoration package. The package includes an exclusive *Star Wars*

door sticker, slippers, bed runner and a cookies set.

About Hong Kong Disneyland Resort

Hong Kong Disneyland Resort offers unforgettable, culturally distinctive Disney experiences for guests of all ages and nationalities. In the magical kingdom theme park - filled with your favorite Disney stories and characters - explore seven diverse lands that are home to award-winning, first-of-a-kind attractions and entertainment. Complete your adventure with stays at the resort's luxurious Disney hotels. The magic doesn't end at our doorstep; as a dedicated member of the local community that cares deeply about societal well-being, Hong Kong Disneyland spreads its magic through community services programs that help families in need, boost creativity among children and youth, encourage the protection of the environment and inspire healthier living.
