

HONG KONG TOURISM BOARD

Effective from January 23, 2017, Indian nationals must apply for and successfully complete online pre-arrival registration before they can continue to enjoy the current 14-day visa-free visit or enter Hong Kong during transit (except in direct transit by air and not leaving the airport transit area), unless they belong to one of the categories of persons who may continue to come to Hong Kong visa-free without pre-arrival registration. Persons exempted from the requirement of pre-arrival registration include, among others, holders of an Indian diplomatic or official passport or a Hong Kong Travel Pass and Indian nationals who have successfully enrolled for the e-Channel service for frequent visitors.

Each pre-arrival registration for an Indian national will be valid for six months or until the expiry date of the Indian passport linked to it, whichever is earlier. Provided that normal immigration requirements are met, a registrant may, during the validity of the pre-arrival registration, use a valid notification slip together with the specific and valid Indian passport linked to the successful pre-arrival registration to make multiple visits to Hong Kong visa-free. On each visit, a registrant may stay in Hong Kong for up to 14 days.

In case pre-arrival registration is unsuccessful, Indian nationals shall apply to the Immigration Department directly for an entry visa if they intend to visit Hong Kong.

Please click [here](#) for an online demonstration. Details of Pre-arrival Registration for Indian Nationals can be found at the [Immigration Department's website](#)

Visa or entry permit is required for those who wish to stay more than 14 days. Please check with your nearest Chinese Embassy or Consulate or the [Hong Kong Immigration Department](#) for details.
