

The Most of Hong Kong

This half-day tour is designed to showcase Hong Kong's many "Mots". Visitors can enjoy the city's stunning views from the highest angles, share stories of the city's most historical buildings, and experience what was once the pinnacle of a cosmopolitan colonial lifestyle. It is most suitable for first-time visitors or for repeat travellers to discover the city's little known aspects.

Q Tour Highlights

- Visit the highest peak on Hong Kong Island
- Visit Hong Kong's tallest building, its oldest religion building, historic hotel and mode of public transportation
- Dine at a Michelin-starred restaurant with the best value for money
