

Past & Present: Hong Kong Fishermen's History

Board a heritage ferry for a trip over the sea and back in time to Hong Kong in the mid-1900s. Through the city's historic mining to fishing industries, visitors will experience both its traditions and creativity, with surprises around every corner that will open their eyes to a different view of Hong Kong.

Tour Highlights

- Take a snapshot with a vintage background and props at the only Sino-British ferry pier in Hong Kong
- Ride a historic local ferry with creative graffiti that illustrates local fishermen's stories
- Explore a mining and fishing village that transformed itself into an alfresco seafood dining hotspot
