

An architectural rendering of the Kai Tak Sports Park. The main feature is a large, curved stadium with a glass and metal facade. The glass reflects the sky and surrounding trees. To the right of the glass section, there is a decorative facade made of white, geometric, triangular panels. In the foreground, there is a green lawn with a dirt path where several people are walking and playing. Trees are visible on the left side of the image. The sky is blue with some clouds.

KAI TAK SPORTS PARK

A state-of-the-art, multi-purpose sports and entertainment complex with world-class facilities, retail, wellness and community leisure spaces

OUR OBJECTIVES

Promote “Sports for All” in the community, providing high quality sports facilities

FACILITIES

MAIN STADIUM

50,000 SEATING
CAPACITY

A wide-angle, high-angle shot of a massive stadium at night. The stadium is filled with a large crowd of spectators. In the center of the field, there is a large, circular stage area. On the stage, there is a large, illuminated structure that appears to be a stage set or a large screen. The structure is lit up with bright orange and red lights. The stadium's roof is visible at the top of the frame, and the overall atmosphere is one of a major event or concert.
